## Financial Agreement for Services

We strive to create an efficient billing service for our patients; therefore, the services rendered by Brennan Counseling PC are outlined below:

Initial Diagnostic Interview: \$150.00 per session

Individual, Family, and Couples Therapy: \$115.00 per session

Group: \$50 per group per group member

If Brennan Counseling PC is contracted with your insurance company, then your insurance will be billed for services. Copays are the responsibility of the patient, and they are expected at the end of each session.

The cancellation policy of Brennan Counseling PC is that the patient provides at least 48-hour notice for cancelling an appointment. We observe the time of your appointment specifically for you. If you can't make the appointment scheduled, please notify as soon as possible.

Any cancellation resulting in less than 48 hours notice will result in a \$75.00 cancellation fee. This will be billed directly to the patient, and will need to be paid by the next session after the cancellation. As emergencies arise, exceptions will be dealt with on a case by case basis.
